5. GRANDFATHERED SERVICES-INTERMEDIA<sup>1</sup> (Cont.)

5.13 Payphone Compensation Charge

In order to recover the Company's expenses to comply with the FCC's pay telephone compensation plan effective on October 7, 1997 (FCC 97-371), an undiscountable per call charge is applicable to all interstate, intrastate, and international calls that originate from any domestic pay telephone used to access Intermedia services. This surcharge, which is in addition to standard tariffed usage charges and any applicable service charges and surcharges associated with Intermedia service, applies for the use of the instrument used to access Intermedia service and is unrelated to the Intermedia service accessed from the pay telephone.

Pay telephones include coin-operated and coinless phones owned by local telephone companies, independent companies and other interexchange carriers. The Payphone Compensation Charge applies to the initial completed call and any reoriginated call (i.e., using the "#" symbol).

Whenever possible, the Payphone Compensation Charge will appear on the same invoice containing the usage charges for the surcharged call. In cases where proper pay telephone coding digits are not transmitted to the Company prior to completion of a call, the Payphone Compensation Charge may be billed on a subsequent invoice after the Company has obtained information from a carrier that the originating station is an eligible pay telephone.

The Payphone Compensation Charge does not apply to calls placed from pay telephones at which the Customer pays for service by inserting coins during the progress of the call.
